Call your friends
and family now!
Using Room Phone.

Each room phone has its own unique number beginning with 084, calls are charged at 5p per minute at all times from a UK landline. You will be told your number when you pick up the phone in your room (You may need to dial "9" to access our service). To make calls from your room you must first register by phone or on our web site.

Top up your pre-pay account by credit or debit card by using your room phone or log on to your account on our web site.

www.roomphone.co.uk

Calls from your room and any other phone can be charged to your room phone account

Just pick up your room phone (you may need to dial "9") and follow the prompts to register automatically and make calls within the UK and to international destinations. Please make a note of your room phone number and your PIN (which will be given to you during registration)

To make calls from other phones, including cheaper international calls from your mobile phone, register first then call our automated service on **0161 433 9141**, follow the prompts and dial when you hear the tone. Ask us to register your mobile phone number to make calling even simpler.
